

Clay-Platte Home Educators

Regional Spelling Bee

Friday, May 4, 2018, 10:00 am

Sherwood Bible Church, 4900 North Norton Avenue, Kansas City, MO 64119

This relaxed spelling bee is for students who want a friendly bee but with real competition. The bee is open to any homeschool student* who is in grades one through twelve. A copy of the rules, guidelines and word lists can be found at: <http://cphecorp.org/spelling/>

To have a successful bee we need judges, so please consider serving your homeschool community in this way. Parents of participants may serve as judges.

Registrations are due April 27th. We need to have at least two spellers in a level to hold the bee for that grade. If there are not enough registered spellers in a particular level the speller will be notified by April 30th and will be given the option of competing at the next highest grade level.

To register, volunteer, or ask questions you may contact us at: spellingbee@cphecorp.org

**CPHE defines a Missouri homeschool as one that is in full compliance with Missouri homeschool law for ages 7-16. Students outside this age group must receive at least 50% of their education at home, exclusive of enrichment programs and/or college courses. Students from other states should be homeschooled according to their state law.*

Registration Form

Parent Name: _____ CPHE Member: Y/N
Email: _____ Phone: _____

Please print child's name as you would like it to appear on his/her certificate.

Child's Name: _____ Grade: _____
Child's Name: _____ Grade: _____
Child's Name: _____ Grade: _____
Child's Name: _____ Grade: _____
Child's Name: _____ Grade: _____
