***Notes:**

-We need to have at least two spellers in a level to hold the bee for that grade group. If there are not enough registered spellers in a particular level the speller will be notified by April 23rd and will be given the option of competing at the next higher grade level group.

-To have a successful bee we need judges, so please consider serving your homeschool community in this way. Parents of participants may serve as judges.

*CPHE defines a Missouri homeschool as one that is in full compliance with Missouri homeschool law for ages 7-16. Students outside this age group must receive at least 50% of their education at home, exclusive of enrichment programs and/or college courses. Students from other states should be homeschooled according to their state law.
